Dear National Counseling Group:

Thank you so much for your sponsorship of the Cape Henry Duathlon and Running Festival, which is our primary fundraiser. The Friends provide for the special needs of kids on probation and parole that are not met by any other source. We buy recreation center passes, prescriptions, bikes for transportation to work and many other things to encourage good citizenship.

We support a group to help youth get out of gangs called CHANGES, provide mentors and continually seek new programs and resources to help troubled youth in Virginia Beach.

Please see our web site at www.vbfriendsofjdrc.org for more information about our programs.

Thank you again for your support of the kids in Virginia Beach who need you the most!

Sincerely,

Judy McReynolds
