Dear Ladies and Gentlemen of the National Counseling Group,

Thanks to your generous support, our fourth annual youth soccer tournament was a tremendous success! Over 100 young people between the ages of 13 and 16 participated in the event. Your generous contribution of \$300.00 allowed us to provide every player with a tournament tee-shirt and lunch. Additionally, your gift helped to provide the winning team with gift certificates to Target.

We sincerely thank you for partnering with us to make this great day possible for Arlington youth.

Best regards,
